The Stow Minutemen require all Members to be 16 years of age or older and have an FID card before coming to the range and using a musket. A safety course with the Sgt. Armorer is also required. Regular musket drills are scheduled; we use the 1764 Manual of Arms. The Company will attempt to connect new members with individuals who are willing to loan muskets for practice and events until they can purchase their own. Members with muskets are asked to dress as men. Members between the ages of 16 and 18 will also be required to provide specific parental permission to use firearms with the Company.
